

**Welcome** to the first prayer and newsletter from the Hunsley Christian Youth Trust. I hope you're as excited to be reading this as I am to be writing this. This newsletter will keep you up to date with the work of the Hunsley Christian Youth Trust and give you a sense of the work we're doing with the young people in South Hunsley School and in the Hunsley area.

### Chairmans Message from Steve Shirra

Hunsley Christian Youth Trust was formed in February of this year and is currently funded by the parishes of Elloughton and Brough with Brantingham, Swanland, North Ferriby and South Cave who have each nominated a director for the trust. We are delighted to have appointed Mark Tiddy as our first schools worker and youth facilitator. Half of Mark's work will be focused in South Hunsley School, with the other half of his time being spent supporting local parishes. We would value your prayer and support as the trust begins it's ministry.

### Exciting Times! by Zena Farlowe (Trustee/Director)

I represent St Barnabas Church, Swanland as a Trustee/Director of the Hunsley Christian Youth Trust.

We had the 'thought' a couple of years ago, in the lead up to Hope 08 which suggested doing "acts of kindness for the community", that an act of kindness for the youth would be to join with other churches and provide a schools worker for South Hunsley School..

We were therefore thrilled when we approached the other churches to find that they too had been thinking in a similar way. So with the support of their PCCs, the four churches began working together to set up a charitable company, as well as of course, to start the process of recruitment and subsequent appointment of Mark.

Isn't it marvellous when a 'thought' proves to be of God and becomes a reality?

We are excited about the appointment of Mark and join our prayers with others for him and for his work at school and at All Saints, South Cave.

### Keep In The Loop

We're hoping to be producing 4 'Prayer & News' a year which we will distribute to the churches across the Hunsley area and beyond where we receive requests.

### Message From Mark Schools Worker & Youth Facilitator

Hi, I'm Mark Tiddy and I am the Schools Worker & Youth Facilitator for the Hunsley Christian Youth Trust. I arrived in South Cave towards the end of August and I'm very excited about what's going to be happening this in the coming months as the Hunsley Christian Youth Trust really begins work.

First let me tell you a bit about myself. I was born in Bexhill in Sussex and when I was 11 moved to Norfolk with my family. During the last 4 years I have been working as a youth worker for a church in Peterborough and studying for a degree in Youth Work and Ministry with The Oasis Trust in London.

I'm really looking forward to seeing what God has planned for the Hunsley Christian Youth Trust as I begin work here and I hope that all of you reading this will find this newsletter useful for keeping up to date with the work of HCYT and continuing to pray for myself, the directors and the work of the trust.

### Prayer Points

Prayer is really important in anything we do and the work of the Hunsley Christian Youth Trust is no different. We believe that God wants us to work with the young people of South Hunsley School and in the surrounding area but we need people to be praying for our work. Please use the prayer points below to guide your prayers for the trust and come along to one of our HCYT prayer evenings which will be announced soon.

- **Opportunities In South Hunsley School - Be praying for opportunities in South Hunsley School and especially becoming known during the first term and knowing which initiatives God wishes to use us for in the school.**
- **Building Relationships - Be praying for Mark as he begins work in South Hunsley School and South Cave, that he would be able to quickly become known and be able to build relationships with young people in the area.**
- **Resourcing Churches - Pray that we would know ways in which God wishes to use the Hunsley Christian Youth Trust to resource local churches and help churches to work with young people in their congregation.**

### Commissioning Service

To celebrate this exciting new work in the Hunsley area and to commit it to God we will be holding a commissioning service on the **18th October, 6:15pm at All Saint's Church in South Cave** (a bring and share tea will be held from 4pm).
